

INTRODUCTION

1.1 PROJECT PROFILE

- ➔ Our Website PGH hotel booking is based on GOIBIBO online hotel booking and TRIVAGO.
- ➔ After seeing the website of TRIVAGO and GOIBIBO, We also thought of creating a similar website. We liked a lot about them.
- ➔ GOIBIBO has a user-friendly interface that enables users to easily search and book hotels.
- ➔ within TRIVAGO and GOIBIBO website you can book any hotel in the whole World.
- ➔ But in our website we can only book hotels in some touristic cities of Gujarat State of India.
